You really can't go wrong with a little black dress...or a little white dress for that matter! For the 18th annual QVC presents FFaNY Shoes event at the Waldorf Astoria last night, a few celeb moms turned out looking great in black and white.

Nicole Richie rocked this fitted little black dress and paired it with animal-print booties. Doesn't she look chic? She really pulled off a classy style with a touch of flair.

Other celeb moms who attended the event included Kelly Rutherford, Kelly Bensimon, and Joan Lunden.

You can see photos of their black and white looks below. They all look great!
